Spa and Relaxation

INDRIYA WELLNESS, SPA & SALON

The Umrao unveiled its newly renovated spa and wellness facilities.

Indriya wellness, spa & salon is an innovative concept featuring fully-customized wellness experiences, including an updated menu of Salon Services, mind-body relaxing therapies, fitness center and Pool facilities.

At Indriya, we look forward to enhance our guests' experience with exceptional facilities featuring the most innovative wellness and fitness experiences.

Our highly trained staffs at the Indriya wellness, spa & salon, provides outstanding spa therapies with a personalized and attentive approach. Based on our guests requirements and recommendations, our menu ranges from Classical Swedish Massage, the most widely practiced and best known western Massage system and is designed to invigorate and renew the body to Aromatherapy which uses blend of natural oils extracted from herbs, flowers and fruit to soothe the senses and relax the mind, Deep Tissue to Thai Massage, Abhyanga to Balinese and Shirodhara. Using high quality natural ingredients that will take its guests on a rejuvenating journey of sensory awakening.

Spa and Relaxation

Offering full-service hair, barber and nail services, guests can visit the salon for a range of beauty needs, from touch ups before dinner, to getting ready for your wedding day to reception, baby shower, birthday anniversary to completely transformative haircut and color treatments.

Take the opportunity to review your approach to fitness with a professional trainer at Indriya spa. Our Pool facing fitness center is equipped with a range of cardiovascular and strength training equipment.

After a long day or for a relaxing weekend there is nothing like a dip in the pool. With gorgeous designs and indulgent featured swimming pool at Indriya wellness, spa and salon takes swimming to another level. At Poolside we give perfect opportunity to relax and enjoy lite bites at pool bar with your favourite drink.

Green Initiatives

We follow strict green guidelines to ensure that our guests are staying in a safe, non-toxic and energy-efficient Hotel. Some of these implemented eco-friendly processes are:

- 100% cotton sheets, towels & mattresses
- Energy efficient lighting
- Serving of organic & locally-grown food
- Non-disposable dishes
- Fresh air exchange system
- Grey water recycling: re-use of kitchen, bath & laundry water for garden & landscaping
- Newspaper recycling
- Non-toxic cleaning agents & laundry detergent
- Double glazed vacuum sealed windows to conserve energy & reduce noise
- Rain water harvesting pits around The Hotel to preserve & replenish ground water levels
- Motion sensors that detect & regulate room temperature & helps to conserve energy
- In house food waste composting
