

Antipasti from Itali

Savour the delicious delicacies of Italian Antipasto cuisine with modern influences amidst tranquil surroundings. Antipasto, which literally means "before the meal," is one of those contributions and similar to French hors d'oeuvres or Spanish tapas, it's a beloved combination of small bites of tasty food, usually accompanied by wine and meant to stimulate the appetite before digging into the main meal. Our specialty chef carefully chose antipasto for this month promotion and takes pride on using only the freshest ingredients and preparing all food in house. Our collection of antipasti recipes holds something for everyone, from quick and simple dips to some more challenging creations.

Validity: June 1st to 30th, 2018
